Sunsoga 3d March 1896.

To

The Musgrove Secretary to the
Government of Mysore.

Sir,

I have the honor to state that the Sub Division Officer, Sagar, reports in his letter No 286 dated 4th Ultimo (Copy of which is herein enclosed for reference) with its enclosure in original that one Sabaji Vasudeva-dear of Nagar intends to construct a tiled Vishnu temple at a cost of Rs 250/- in the new town of Kallurkatte which is the present Head Quarters of the Nagar Taluk.

2. There is a temple dedicated to Janardhana Swamy receiving an annual ready money grant of Rs 10-9-0 in the village of Kallapur in the Nagar Taluk which is at present

in a dilapidated condition. The payment of the annual grant of Rs 10-9- has been stopped since 1893 as the services in the temple are not performed as usual.

3 Sabaji Vasudevachar requests the permission of Government to remove the idol from the original Temple in the Kallapur village and place it in the temple proposed to be built at Kallurkatte, the payment of the annual grant of Rs 10-9- being continued as usual in the name of the temple to be built newly.

4. Under the circumstances represented by the Sub Division Officer, Sagar, I have the honor to request that sanction of Government may be accorded for the removal of the idol of Janardhana Swamy from the Kallapur village to Kallurkatte

and the continuance of the payment of the annual grant in the name of the temple to be newly constructed.

Dated 4th February 1896.

To

The Deputy Commissioner
Shimoga.

Sir,

I have the honor to state that one Sabaji Vasudevachar of Nagar who has built a tiled house in the new and still rising town of Kallenkatte intends building a tiled Vishnu temple facing the road near his house at a small cost of Rs 250/-. It is needless to state here the great importence of a temple in a Town like this the Hindus attach to. In my opinion it is right that every encouragement should be given in matters like this which will directly tend to the extension of the Town.

2. There is a stone image of Janardhana Swamy at the village

of Kollapur in the same Taluk. Its temple has long been dilapidated and in consequence of this, the ready money grant to the temple i.e Rs 10-9-- has been stopped (not resumed) since 1893.

3. The village consists of one Brahmin's house and 4 houses belonging to Hassalur caste who are a low caste people. These have no objection to remove the idol to any other place. The said Vasudevachar solicits permission to remove this idol and dedicate it in the temple yet to be built by him provided that the ready money grant is continued.

4. The Amildar recommends the project. I beg therefore that sanction to the removal of the idol from Kallapur village by Vasudevachar for the purpose stated and to the continuance of the annual grant

to th institution. He has given a Muchalika to erect the temple in one year.

5. The Vernacular records on the subject are herewith submitted.
